Thanks for this, and also for your encouragement today. I apologize if I ever seemed frustrated, this certainly wasn't with you.

Hi all,

Can you please create a link that says: "Information for Navajo Nation San Juan River Communities" and post this flyer as the content. Please post the flyer itself so that people can

see the map on this page, please do not post the flyer as a link embedded in the page. Feel free to call me with questions – I would absolutely welcome a phone call from you. I can be reached at 858-603-2344.

Best,

Amanda

I put together a basic flyer/handout template that looks more like the ones you sent earlier, just in case we need to throw one of these together quickly (nothing to write home about, but could be helpful in a pinch).

Hi Alex,

Here are some templates for you to use in future factsheets and meeting announcements. Please share with on-site Weston folks as well.

Best,

Amanda

Amanda,

I just saw this email from David. I found some templates (attached) that the Westin could work from. It'll be best to work with your on-site contract team.

Also, could someone develop a simple flyer we modify from the IC that could be used to announce a public meeting? Thanks
